Birla Institute of Technology and Science, Pilani*

About Us

The American Institute of Chemical Engineers (AIChE) is the world's leading organisation for chemical engineering professionals, with more than 50,000 members in industry, academia, and government from over 100 countries.

AIChE BITS Pilani Student Chapter is dedicated to providing its members with experiences beyond the usual classroom education. As a professional society, we arrange opportunities for students to build a network of contacts in academia and in industry. We participate in different competitions held worldwide!

Our Vision

Dive into core Chemical Engineering and explore aspects of it

Building formal, teamwork and soft skills for better adaptability

Spread the spirit, relevance and importance of Chemical Engineering

Sponsorship Team

K-12 Team

Encourage School students about STEM programs!

Public and Relations team

Improve our publicity to a better reach!

Event and Management Team

Organise our all wonderful events!

Coordinator

Chem-E-Car Team

We make a car that starts by chemical reactions!

Sister Chapter Team

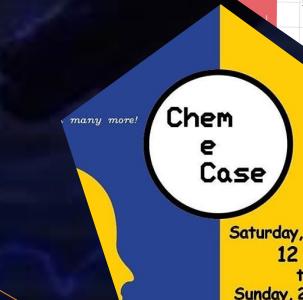

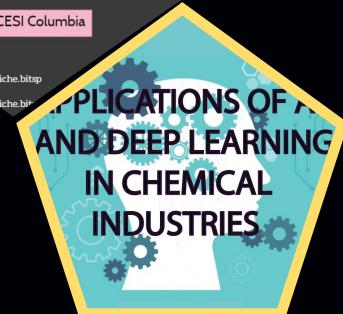

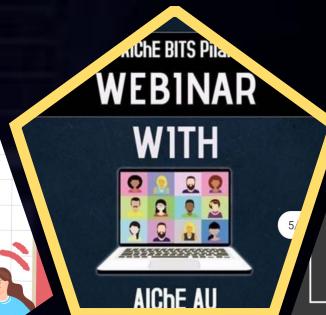

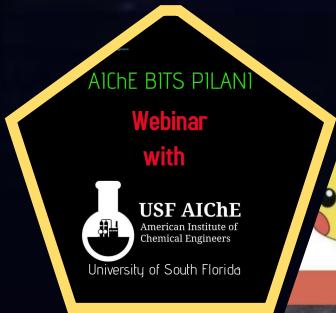

We collaborate with foreign AIChE chapters!

Research and Development Team

We delve deeper into chemical concepts to come up with amazing ideas!

Our Events

We organise over 25+ events every year!

AICHE Annual Student Conference is six days of career information, social events, competitions and fun. Student engineers from more than 200 schools celebrate the Chemical Engineering profession, along with young professional members, AIChE leaders, and industry professionals from numerous engineering specialities!

2021 AIChE® Student Regional Conferences

AIChE
Scaling

K-12 outreach is a global outreach program to increase the awareness about STEM subjects among school students.

In Collaboration with AIChE AISSMS COE we conducted K-12 outreach program. A total of 200 students registered with us for the event. We were honoured to have our guest of honour Dr Suresh Gupta, recipient of the prestigious DST Young Scientist Project Award from the Govt of India!

AIChE's annual Chem-E-Car Competition engages college students in designing and constructing a car powered by a chemical energy source.

AIChE Chem-E-Car competition®

Why Sponsor Us?

1. Reach

We are just not in India.
We are always organising webinars with foreign AIChE chapter.

2. Foreign Collaborations

3. K-12 Program

We visit schools to encourage students about STEM programs.
Be a part of this exciting journey!

4. Non-profit Organisation

We are just passionate workers of the chemical engineering society.
We are also eligible for CSR funds!

5. Chem-E-Car

We are making a car that starts by chemical reaction.
We are a changing world!

6. Events

From D2C to college fests, we organise events everywhere!

Sponsorship Packages
